## Section VII. PROJECT OCCUPANCY REQUIREMENTS

The Minnesota Housing Finance Agency will require the Applicant and Local Administrator to adhere to the RENTA REHABILIATION DEFERRED LOAN PILOT Program Guide policies in providing fair and equitable assistance to tenants at the time the owner makes an application for funds. An Initial Occupancy Statement and Tenant Demographic Characteristic Form must be completed by each tenant. The information is considered private and will be used only by the Administrator in determining the eligibility for the applicant to receive funding under the program. Failure on the part of the tenants to provide the requested information or to make other arrangements may jeopardize the rehabilitation project.
